Caravan Use

1. Our caravans are for family use only. The caravans cannot be let to persons under the age of 21 or to large groups of youths. Only those people listed on the booking form can occupy the caravan and use the facilities of the park. If this legal requirement is not met, further usage of the caravan will be denied.
2. No more than the maximum sleeping capacity is allowed at any time. Our caravans sleep 6. This is to comply with the fire and safety regulations. Any infringement of this rule will deny you further use of the caravans.
3. We cannot accept responsibility for injury, loss or damage suffered by you or any member of your party. We recommend that holiday makers take out their own personal insurance.
4. Car parking at the accommodation is at the owner's risk. If you have more than 1 car or a large van, please make arrangements with the Park Management.
5. Unacceptable behaviour: anti-social or unreasonable behaviour which affects other guests will result in Park Management terminating the holiday without compensation and will result in no further bookings.

Care Of The Caravan

The Caravans are maintained by families like yourselves. Please treat the caravan with respect and care so that other holiday makers can also continue to enjoy it. For some children this may be the only holiday they have. We offer all our holiday makers our caravans at a discounted price. In return, we expect our holiday makers to leave our caravans clean and tidy.

1. Cleanliness: the caravan must be left clean and tidy and any items not belonging to us must be removed from the caravan on the day of your departure (this includes soaps and rubbish in bins) ready for the next holiday maker to enjoy the caravan.
2. NO SMOKING: smokers must smoke outside the caravan. If the caravan has been smoked in you will be charged £50 for steam cleaning.
3. Pets: we CANNOT accept pets due to the high grade of the caravan and the complex health needs of future guests.
4. Central heating: during the warm weather please turn off the central heating due to extremely high running costs and waste.
5. Pillows, duvets & bed linen: we supply fresh linen for each new occupant. It would greatly help us if, on the day of departure, you place the quilt covers and pillow slips folded up in the shower cubicle.

Damage, repairs and missing items

1. Any damages, repairs or missing items in the caravans must be reported to the reception.
2. If you damage or break any crockery items, these items are available to purchase from reception.
3. In the event of an emergency that occurs outside of reception hours please contact 07714 836 993 or 01745 855 116.
